

The People's Debate with Vincent Browne - Monday, 22 February 2016

Journalist Vincent Browne visits the Mayo constituency to give voters an opportunity to hold their TD to account about local and national issues

The TV3 debate was a bit disappointing. By rights (if all 14 candidates had an equal share of time) we should have had about 6+ minutes of speaking time.. Some of us only got a modest 1min and 40secs, and some subjects were deemed 'off topic'.. But at least we got some more exposure, with the I-I badge front-and-centre. Thanks to our friends and supporters who turned up too. For those who are interested, Stephen's contributions are at 28.55; 53.45 & 88.30
